Still-Stevie hoang  Time has passed, things have changed, Still I seem to found myself, feelin'all these pain, Time has passed, things have changed, Still I seem to found myself, wantin'you everyday.. I wanna say that I was blind, I realized, that I need you in my life, 'Cause I can't go on without you, I'm here to say, that I was so wrong, Just gimme my shawty, I gotta let you know, baby.. Girl if you open your heart You'll realize that you just can't fight it You waited so long.. Girl, it's been so long, Since I held you in my arms, Thought some times I always need it, How could I've been so wrong, Now I find it hard, girl, Without you here by my side, My heart is, baby won't you make it right(right)? Time has passed, things have changed, Still I seem to found my self, feelin'all these pain(all these pain in my heart), Time has passed, things have changed, Still I seem to found myself, want in'youe veryday(want in'youe veryday).
